EMERALD NECKLACE FELLOWSHIPS

We are proud to be training the next generation of leaders in sustainable and community-based green infrastructure planning. We have Emerald Necklace Fellowships that focus on city policy, landscape design, project management, graphic design, as well as community outreach. Fellowships, depending on our current projects, can be full-time or part-time, and run from 3 months to over a year. This is a great opportunity for recent college graduates or entry-level professionals who are seeking policy and cultural engagement experience!

Please take a look at each of the currently open Fellowship positions below. We encourage all interested applicants to

apply for these competitive fellowship positions by emailing their background or resume to info@amigosdelosrios.org with “Emerald Necklace Fellowship” in the subject line. We look forward to hearing from you!

LANDSCAPE DESIGN & PROJECT MANAGEMENT FELLOWSHIP

NATURAL INFRASTRUCTURE SUPPORT FELLOWSHIP

We are proud to be training the next generation of leaders in sustainable and community-based green infrastructure planning. Our Landscape Support Fellows play a critical role in the weekly maintenance and health of our organization’s parks and green infrastructure elements.

Please take a look at the Fellowship description below. If you’re interested in applying for this position, please email a short cover letter and resume to Marian Coensgen, at marian@amigosdelosrios.org, or call our office at 626-791-1611. We look forward to hearing from you!

NATURAL INFRASTRUCTURE SUPPORT FELLOWSHIP

SUMMER INTERNSHIPS

Every summer we have a limited number of paid internship opportunities for exceptional high school students and high school graduates interested in natural infrastructure science.

We have filled all of our internships for the summer of 2022. If you would like to know more about our internships, or other ways to be involved in our work, you can send an email to info@amigosdelosrios.org!
