

# VOLUNTEER

## VOLUNTEER – GROUPS

A BIG part of AMIGOS ability to create green space in our communities is Volunteer groups! They bring their muscle to help us plant trees, shrubs, mulch and provide clean up to keep our parks looking their best!

\*We will take every precaution to ensure that these events are COVID-safe. Social distancing will be enforced, masks will be required, and all activities will be outdoors. Participants are encouraged to bring their own water and gardening gloves. We will provide sanitized tools, and will bring extra gloves that participants can use and take home should they have need.
