

RECAP OF OUR FIRST FALL OUTDOOR NATURE TRIP

SUNDAY, OCTOBER 20TH, 2024

This past Sunday, we hosted our **first fall outdoor nature trip** to the **newly reopened** Chantry Flat Recreation Area!

Amigos de los Ríos staff guided a group of 18 children and adults to hike to Sturtevant Falls!

Thanks to funding from the Outdoor Equity Grants Program we were able to host this event and more!

WHY THESE TRIPS ARE IMPORTANT

The Outdoor Equity Grant allows Amigos de los Ríos to research and organize trips that promote **equitable access** to outdoor experiences.

ENVIRONMENTAL JUSTICE

Our goal is to offer **underrepresented communities** the chance to engage with nature while deepening their understanding and appreciation of the natural environment.

By carefully curating trips that are **accessible and inclusive**, the project aids in promoting environmental stewardship, and empowering participants to engage in conservation efforts.
